Gale Research in Context Database

- 1. Go to "Online Resources" on EMS Library webpage
- 2. Click on "Gale Research in Context" icon (Password: rockschools)
- Sign in with Google on top left corner (Use your school email: ID#@students.rps205.com)
- 4. Login to Google Drive (Google Drive & Gale Database both need to be open and logged into)
- 5. Search topic in the search bar; results may include topic page, images, references, videos, news articles, magazines, etc.

Tools: Highlights and Notes & Citation

 Click "Highlights & Notes. Highlight the fact you want to use. A box will pop up to pick highlight color. Under notes, write Fact # and type sentence in your own words. Copying word for word is plagiarism! Click save. Repeat this for every fact you want to use in your research.
